## Friday Evening 9 hole Couples League

### Welcoming New Players!

The Friday Night Couples League consists of 9 holes of golf on the Championship course that welcomes players of all skill levels. The league consists of more than 36 couples and looks to grow while providing a format which promotes meeting and playing with other couples. The league originated as a group of 3M employees but is now open to all couples.

The league plays throughout the summer from April through August, with three optional tournaments of varying formats. The league has a flexible scheduling system and targets couples to play 7-10 weeks, with the ability to opt out of weeks that won't work. Most weeks play in a shotgun format, typically beginning at 5:30 pm. The course schedule is linked above.

#### League Fees

Registration for the league this season is \$35 per couple which covers season prizes, tournaments and administrative costs. [Click this link to register](#). Greens fees are to be paid each week and the cost is \$40 to walk or \$50 to ride per couple.
